A Message From The Steering Committee

Last month we reported that the Steering Committee had voted not to endorse the Breast Cancer Demonstration due to the results of the SACWN survey which showed that the membership wanted to decide what activities SACWN should endorse. The Steering Committee received several calls after that vote and were asked to reconsider the decision. After some discussion, the Steering Committee decided that SACWN would endorse the Breast Cancer Demonstration because breast cancer is such a major health concern in the lesbian community. I'm pleased to report the Demonstration was well attended by SACWN members. SACWN members also were responsible for donations of more than $1,000 to underwrite the demonstration. Thank you!!

The endorsement of the Breast Cancer Demonstration brought up several issues about last month's survey and how to interpret the results. In this newsletter, the Steering Committee explains how the SACWN survey is being interpreted. We also ask you to tell us if you want us to send a letter regarding AB101 which prevents discrimination against gays and lesbians in housing and employment. Please take the time to read the letter and vote on whether SACWN should send this letter to the State Legislature.

The Steering Committee sends a special "thank you" to all those people who responded to our request last month for volunteers. We are happy to see you come forward to help SACWN produce quality events. On a related note, I have resigned from the Steering Committee after three years to take a rest. This is the last Newsletter I will be coordinating and I want to thank those SACWN members who sent us articles and stories to publish. (Another "Coming Out Story" from the membership will be shared next month). SACWN continues to grow and thrive because of its membership. Do you have some time to volunteer? Call us and let us know if you would like to serve on a committee or coordinate an event.

Coming in August . . .

THE RETURN of the LESBIAN LOVE CONNECTION!!

Remember such questions as "What is your lover's pet peeve?," "Which car best describes your perfect date?", "What color underwear would your lover say you are wearing right now?"??? Better yet, remember the answers???

We had such a good time playing the DATING GAME & NEWLYWED GAME last year that we're doing it again this year! Mark your calendars for Friday, August 16, when the Clarion Inn in Sacramento will be the site of lots of laughs and lovely women enjoying being with each other. The games will be hosted by local budding comedienne Maureen Gaynor, who's lately had them rolling in the aisles at Cafe Lambda.

The Dating Game — what a great way for singles to meet each other! If you'd like to participate, call 451-9691. Last year, even the "losers" ended up getting dates! Maybe this will be your lucky night.

The Newlywed Game — what a great way to learn all those things you thought you already knew about your partner! Again, call 451-9691 if you'd like to participate, and get ready for a good time!

You're guaranteed a good time as we celebrate love and laugh with each other, making Lesbian Love Connections!

What Do The SACWN Survey Results Mean?

Of our subscribership of about 500, 189 or 38% of you took the time to let us know your opinions on the controversial issues of gay men at events, SACWN coming out and SACWN developing policy on political issues. Thanks to all of you who responded!

Without the many hours of hard work on her computer that **Gretchen Jung** contributed in such a timely fashion, we would not have been able to bring you these results so quickly. We really appreciate your helping us out in such a major way, Gretchen.

After meeting with Kate Moran, one of our subscribers with survey expertise (thanks, Kate!), we are now able to let you know which results were decisive and which were not. Remember, these results are reflective of the majority of the survey respondents.

On the issue of gay men at events, it was unclear from the responses whether you were in favor of gay men at the June dance in honor of Gay Pride Week. However, the majority who answered the survey clearly indicated that you are NOT in favor of inviting gay men to programs, dances, picnics or networking programs.

On the issues of using the word "lesbian" in SACWN's written communications and on SACWN being represented as a lesbian organization in the media, you resoundingly voted "yes." On the issue of SACWN developing policy on political issues, your reactions were mixed. You wanted SACWN to support pro-lesbian/gay initiatives and legislation, to sponsor special candidate forums during election time and to provide information and education about political issues. You did not want SACWN to endorse/support political candidates, to donate money to political campaigns or to plan joint events with other political organizations.

Finally, you wanted the decisions about implementing the issues of initiatives and candidate forums to be left to the subscribership but were less clear about whether the Steering Committee (S.C.) could provide info/education without your input. Because of this result, the S.C. was faced with a recent dilemma about endorsing the breast cancer march. As you may know, we initially decided not to endorse the march because we felt we needed to respect your wishes about having a say in such decisions. Due to the immediacy of this issue, we did not have time to put this issue to a membership vote. After much discussion, the S.C. decided to reverse its earlier decision. This is the kind of dilemma we often face. The S.C. invites your input on this issue, so feel free to call any of the S.C. members to let us know your thoughts about how we can best get subscribers' input quickly and efficiently. We suggest you give us at least 2 months notice whenever possible so we have time to publicize these issues and to do a "mini-survey" in the newsletter.

THe S.C. made some decisions about how best to interpret survey questions in the future. Since an average of 198 of you responded to our last two major surveys, we decided to base decisions on issues where 2/3 of our usual voting subscribers register their vote. This works out to about 125 respondents. If we get a minimum of 125 respondents, we will consider this to be a significant response, although of course, we'd like all 500 of you to give us input! We will consider a ratio of 1.5 to 1 or 60 to 40 a decisive vote on the issue.

Our current issue on which we'd like your opinion is AB 101. On page 5 of this newsletter is a proposed letter to send in support of AB 101. Please send in your vote with your registration for the June dance by June 17.

DO YOU SUPPORT AB101?

Dear Legislators and Governor Wilson:

We are a Sacramento organization of over 500 women strong writing to voice our support and great concern that AB101 become law in the State of California.

We are teachers, therapists, pilots, realtors, lawyers, doctors, bus drivers, carpenters . . . and we are lesbians. We have to live in daily fear of reprisals for who we are from people who don't know us but think they hate us and who would do harm to us because of their fear, ignorance, prejudice or misinformation.

AB101 would add sexual orientation as a protected category under the Fair Employment and Housing Act in California. It would mean that we would have legal protection for our right to work in jobs for which we are qualified, to live in housing we can pay for and to live in peace and privacy as the law abiding citizens we are. That's not too much to ask.

AB101 is straightforward and fair. It should be passed by both houses with large majorities, sending a message to everyone that discrimination of any kind will not be tolerated. And it should be signed by Governor Wilson with pride. We trust it will be, and urge you to vote for AB101 when it comes before you.

Thank you for your time and attention to this very important matter.
